Brain Power

SUBJECT:	History/Technology
FORMAT:	Hardback and Paperback
ILLUSTRATIONS:	Full-colour artwork
EXTENT	64 pages (plus ends)
SIZE:	282 x 219 mm
AGE:	8+

ABOUT THE SERIES:

- The *Brain Power series* comprehensively explores the ingenuity of the human mind through the ages, and the way that ideas and technology have influenced historical events.
- Stunningly illustrated throughout, and with a clear text, it covers the many important inventions, discoveries and innovations which helped shape the world we live in.
- Descriptions of the lives of great inventors in the historical background of their time provide a perfect introduction to the history of ideas and technology.
- The series details the lives of the great thinkers and important historical dates, but also offers a more lighthearted approach to the history of everyday objects in the home.
- A timeline of events for each period places these achievements and events into a historical context which helps reveal their full impact.
- The book features precise full-colour technical illustrations and humorous drawings.
- A complete glossary and index make this series ideal educational texts for home and school.
- Lenticular cover option showing scene-changes is available.

OTHER TITLES:

Time Lines – World History Dates, Transport, Flight, Ships
