FEATURES:	Vertically-cut split pages

ABOUT THE SERIES:

- The **Cycles of Life** titles are innovative, informative and fun introductions to natural history for young children.
- Beautiful time-lapse illustrations with vertically-cut split pages show how creatures and their environments develop through time.
- Clear, concise text in a child-friendly typeface encourages children to begin to read for themselves.
- Each book in the series has a glossary and index which introduce new readers to the conventions of non-fiction texts.
