ABOUT THE SERIES:

- With fewer words than are found in typical mythology collections, and with plenty of great visual pointers, these texts are an ideal introduction to classic myths that reluctant readers would otherwise find too challenging.
- The speech bubbles and strip cartoon-style illustrations create a dynamic format that encourages readers to engage with the characters and get involved in the story.
- Dramatic dialogue and vivid illustrations bring to life a host of colourful characters from these ancient civilisations.
- Glossary, index and recommended further reading.
