### ABOUT THE SERIES:

- The *Make it with...* series encourages children to use everyday materials in a series of exciting art projects, either as entertaining ideas for rainy days at home, or for primary school classrooms.
- Twelve projects are presented in superb photo-illustrated spreads which feature easy-to-follow steps.
- Useful notes for parents and teachers appear at the end of the book, which give guidance on how projects can be adapted to suit children of different ages.
- In *Make it with Fabric* kids use both cloth and yarns of many colours to make animal faces, a rag doll, a hand puppet, a pen and pencil case and more!
- In *Make it with Paper* children can use coloured paper and card to make a range of fun items, including a carnival hat, a frilly flower, a telephone and a colourful clown.
- In *Make it with Plants* children can make a bean box, a woven hat, a peanut shell-eton, a gigantic ant and many more exciting projects from materials found naturally.
- In *Make it with Cardboard* both corrugated and plain cardboard plus some paints and glue are all kids need for making table-tennis paddles, a multistorey car park for toy cars, a photo frame and more!
- In *Make it with Papier Mâché* children can make a space rocket, a toy car, a spooky ghost, a model hot-air balloon and many more exciting projects with this versatile material.
- In *Make it with Rubbish* children can make a palm tree, a model plane, a toy accordion and many more exciting projects using recycled materials.
